

Adult Care Givers

Draw a picture of the adult or adults who take care of you or attach photograph. If you have brothers and sisters you could bring in photographs of them as well! It might be fun to create a poster of your family to share with your classmates.

How many “pups” are in your “pack?”

What are their names?

In a wolf pack, the members all contribute to the well-being of the “family.” The same is true in the human family. Use the box below to name some things the members of your family do for one another. Perhaps you could draw some pictures, too!

Name some other members of your “pack.” Grandparents? Aunts, uncles, and cousins? others? Who is older than you? Who is younger? Who makes the “rules” in your “pack?” Who follows those rules?
